COMMENTS (Number each comment to show from whom to whom. Draw a line across column after each comment.)

The attached is a listing of Cuban athletes who defected during the Pan American games. Jay Sourwine, Senate Internal Security Subcommittee staff, believes that they have been given political asylum by the Panamanians and that some of them might be in the Canal Zone. Specifically, he would like (1) to know the present whereabouts of the individuals and (2) to interview them for possible published hearings when and if they are under our control.

Could you assist us, please 25X1A
